Student Social Services

Revised Date:
10/21/14

Each school shall provide a social service program for all students through the cooperative efforts of the principal, teachers, and guidance counselor.¹

The principal shall develop a program of social services which shall include such services and activities as:

1. Orientation of parents and students to the school program;
2. Student referral and/or welfare provisions;
3. Collection and maintenance of student data and record systems;
4. Educational information for use by students, parents and teachers;
5. Conflict resolution techniques; and
6. Referral information and/or outlets for referral for drug abuse counseling, pregnancy counseling, and psychological services.

The classroom teacher, because of close contacts with the student shall be a key person in the social services program.

School administrators are authorized to work with recognized groups who may furnish special services to students.
